## **1. INTRODUCTION**

Staff and Governors at this school are committed to giving every member of the school community the opportunity to achieve to the highest standards.

## **2. PUBLIC SECTOR EQUALITY DUTY (PSED)**

The Public Sector Equality Duty came into force across Great Britain on 5<sup>th</sup> April 2011.

It means that public bodies have to consider all individuals when carrying out their day to day work – in shaping policy, in delivering services and in relations to their own employees.

This duty has three elements:

Schools need to:

1. Eliminate unlawful discrimination, harassment, victimisation and other conduct that is prohibited by the Equality Act 2010
2. Advance equality of opportunity between people who share a protected characteristic and people who do not share it
3. Foster good relations across all protected characteristics – between people who share a protected characteristic and people who do not share it

Having 'due regard' to the need to advance equality of opportunity is defined as the need to:

1. Remove or minimise disadvantages
2. Take steps to meet different needs
3. Encourage participation when it is disproportionately low

Race, disability, sex, age, religion or belief, sexual orientation, pregnancy, maternity and gender reassignment are known as 'protected characteristics' (Equality Act 2010).

## **3. AIMS AND OBJECTIVES**

Our school aims to be an inclusive school. We are committed to promoting equality and good relationships. We will always tackle any discrimination quickly and firmly. We aim to make equality of opportunity a reality for our children and their families. We achieve this by recognising and paying attention to the different groups of pupils within our school:

- Males and females
- Minority ethnic and faith groups
- Pupils with English as an additional language
- Pupils with special educational needs
- Pupils with a disability
- Gifted and Talented pupils
- Pupils who are at risk of disaffection or exclusion

## **4. CURRICULUM**

We plan and deliver a curriculum which meets the needs of all pupils through:

- Setting suitable learning challenges

Approved by Governors: Spring 2021

Review Date: Spring 2023

- Responding to the children's individual and diverse learning needs
- Providing support for pupils who find it difficult to access all areas of the curriculum.
- Providing challenge for pupils who are gifted and talented
- Recognising and addressing potential barriers to learning
- Providing additional curriculum opportunities outside the National Curriculum to meet the needs of pupils (this may include speech and language therapy and physiotherapy).

We achieve educational inclusion by continually reviewing our provision and maintaining the wellbeing and progress of every pupil. This is done through our assessment system and related meetings with pupils. There are always opportunities for informal discussions regarding the provision for pupils to ensure inclusion for all.

Teachers ensure that pupils:

- Feel secure and know that their contributions are welcomed and valued
- Appreciate and value the differences they see in others
- Are supported in learning to take responsibility for their own actions
- Are able to experience success in their learning
- Feel safe and confident to wear clothing that is appropriate to their religious beliefs
- Use materials that reflect a range of social and cultural backgrounds without stereotyping
- Are encouraged, and are able, to participate fully in all areas of school life

## **5. DISABILITY**

Equality Act 2010– *“a physical or mental impairment which has a substantial and long-term adverse effect on your ability to carry out normal day-to-day activities”*

Some pupils have disabilities and may require additional support and resources in order to access the curriculum. Our Disability Equality Scheme gives details of how we are working to ensure that pupils can access the curriculum and to improve the physical environment for members of the school community who are disabled.
