

Friday 13th October 2023

Dear Parents/Carers,

Supporting Learning Workshop

We are pleased to invite you to attend our first 'Supporting Learning Workshop', which is aimed at parents/carers of our KS2 pupils.

This workshop will be the first in a series and we will cover different aspects of the curriculum for Year 5 and Year 6. We will be explaining what we teach, how we teach it, answering your questions and giving lots of suggestions on how you can support your child to fulfil their potential. We will also be encouraging you to try out some activities alongside your child, so please do bring them along.

The session will be held on Monday 23rd October from 4.00pm – 5.00pm. Mrs Davis will hold a 30-minute **arithmetic** session and Ms Simon will hold a 30-minute **reading** session.

To help us gain a sense of numbers, please register by clicking on the below link to secure you place.

<https://forms.office.com/e/eFC3HYGbka>

It will be fantastic to see you there!

Please do not hesitate to contact us for further information.

Yours sincerely

Ms F Simon
Head of English

Mrs R Davis
Lead for Mathematics
